Sir:

Applicants request entry of the identical computer readable form from a related application. Specifically, the computer-readable form of the Sequence Listing in the above-identified application is identical to the Sequence Listing in Application Serial No. 09/136,389, filed August 18, 1998. In accordance with 37 C.F.R. §1.821(e), please use the computer-readable form of the Sequence Listing filed in that application as the computer-readable form in the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer-readable form of the
